Dear HVAA Soccer Families,

We wanted to reach out to all of you who have entrusted us to coordinate and organize youth sports in our community for so many years. 2020 has been a pretty challenging year, but we remain positive. ***We believe that we need to continue offering youth sports so that children can stay strong, happy, and healthy.*** We stay committed to giving you the activities your children need during these unprecedented times.

All signs are pointing to fall soccer opening in early September as usual. We have a [Return to Play](#) outline and a [COVID-19 Safety & Action Plan](#) that has been implemented since late June for our travel soccer program, and we will apply similar guidelines to in-house soccer. All HVAA soccer protocols are guided by EPYSA (Eastern Pennsylvania Youth Soccer Association) and CDC recommendations. For the last few weeks, we have been running training sessions for our travel soccer teams safely outdoors. It has been amazing seeing the kids on the field again! Over 225 players committed to participating in our travel program alone this year.

We also have opened up our in-house soccer registration and have set opening day for September 12th. So far, we have over 200 players registered for our in-house soccer program. **Registration ends soon and closes on August 24th.** All leagues will be forming teams immediately after. We only can accept late registrations for Micro Soccer. It is important that we have your registration on time, so that we finalize our safety action plans accordingly. Please spread the word! [Click here to register.](#)

Lastly, we need you! Life is a team sport! As we return to play, HVAA depends on our community of volunteers to help and coach. This is the perfect time to connect with our young athletes. Share your love for sports and be a positive force for them. HVAA will educate all our coaches with the proper safety guidelines for fall soccer.

We can't wait to see you outdoors on the soccer field soon!

Sincerely,

Laura Arneson  
HVAA In-House Soccer Director

and

Brad Sorokin  
HVAA Travel Soccer Director
